PROFESSIONAL EXPERIENCE

Level Designer | Sentinel Games | S.O.R.N | Unreal Engine 5 August 2025 – May 2026

- Designed and blocked out monolith-scale combat zones and points of interest from concept to final build
- Crafted level spaces using framing, sightlines, and spatial composition to guide player navigation
- Tested and iterated on encounter layouts and traversal paths to maintain balanced pacing and engaging flow

Level Designer | Rust in Pieces, LLC | Carnage | Unity 6 August 2025 – December 2025

- Tested and iterated levels to ensure each run felt unpredictable and replayable
- Adjusted procedural generation of hazards, vehicles, and interactive objects to keep gameplay varied
- Designed city layouts and traffic patterns to maximize dynamic crashes and player interactions with obstacles

Level Designer | Bootlegger Games | Bootlegger Bust | UE5 January 2025 – April 2025

- Designed and built an FPS warehouse level focusing on flow, player sightlines, and engagements
- Iterated combat encounters and level layout through playtesting to balance pacing and difficulty
- Implemented a modular kit to set dress the level in a way that was functional but maintained clarity

Server Assistant | Fleming's Prime Steakhouse January 2026 – May 2026

- Delivered high-standard hospitality in a fast-paced fine dining environment
- Coordinated with front-of-house team to ensure smooth and efficient service
- Managed guest needs with professionalism and attention to detail

Legal Assistant | Phelps Dunbar LLP July 2022 – July 2023

- Prepared and organized legal documents for attorneys, ensuring accuracy and compliance
- Assisted with client communications, scheduling, and case management
- Conducted legal research and compiled summaries to support ongoing cases
